

Using public computers

All public computers on campus are set up to be accessed with your campus credentials. This page will tell you where they are and when you should/may use them.

If you forget your login, see [What is my Username and Password?](#)

- **Swedenborg Library Main Area**

- Located along the righthand wall of the main area in the library upon entry.
- Open for general student use.
- Can be used if you lose access to your personal laptop/desktop computer.

- **Swedenborg Library Design Lab**

- Located immediately to the left of the cafe area.
- Ask the Library front desk (or your instructor if you have a class in this room) before use.
- Set up with Adobe Creative Cloud licenses, used for classes like Graphic Design.

- **Doering Center Design Lab**

- Located down the lefthand wing of Doering upon entry, on the first floor.
- Ask an instructor before use.
- Set up with course specific software for certain classes to use.

- **College Center Game Room**

- Located in the room behind the large TV, opposite the cafe.
- Open for general student use.
- Equipped with hardware designed for moderate intensity PC gaming.
